# Bylaws of the Chesapeake Bay Chapter of NCMS

---

Section 1. Active membership in this Chapter will be limited to members in good standing of NCMS who work or reside in the Chesapeake Bay Chapter area, unless an individual has requested to be placed in the Chapter. Membership status in NCMS shall determine membership status within the Chapter. Membership in the Society shall not create or give rise to any ownership interest in the Society's property or assets.

Section 2. Chapter membership is assigned by the Administrative Director. The determination of Chapter assignment is based on the geographical location of the member in relation to the Chapter location. Members may request to be moved to another chapter by making a request through the link in their "edit profile" page on the NCMS website or by contacting the national office directly.

Section 3. Chapter Officers shall refer all questions relating to Chapter membership to the Chapter Chair Liaison (CCL) Team for assistance. If the Chapter Officers recommend a member for denial, suspension, or revocation of Chapter membership, then the CCL Team shall be contacted. If determined to be necessary, an ethics complaint will be filed directly with the Executive Director per established policy, who will then forward complaint to the Ethics Committee for review, investigation, and appropriate action.

## **ARTICLE IV – DUES and EXPENDITURES**

Section 1. No Chapter dues or assessments are permitted in association with this Chapter. *Chapter funds shall be used solely for the advancement of the non-profit goals and activities of the Chapter to the extent such goals and activities are consistent with the non-profit mission of NCMS.*

Section 2. Chapter Officers approve the expenditures of funds for reasonable costs associated with holding Chapter meetings, Chapter Officers meetings, or others that may be called by the Chapter Chair. Chapter funds must be effectively managed in accordance with *NCMS Policies and Procedures, Section IV*. Expenditures are permitted for the purchase of meals, room and AV rental, reasonable door prizes/raffles, guest/speaker fees and/or gifts.<sup>1</sup> The Treasurer reviews all expenses and issues or approves payment when presented with receipts/invoices.<sup>2</sup> The Treasurer retains all evidence of expenditures for review by the officers, as required in Article V, Section 8.d of these Bylaws. The Chapter Executive Committee may vote to fund travel to and from the Chapter Chair/National Board Meetings on a case-by-case basis. However, this does not include funding attendance at the Annual Seminar, which requires approval by the NCMS National Board of Directors.

Section 3. Any expenditure that falls outside of the definition provided in Section 2

<sup>2</sup> Revised to allow for all methods of "payment"; 10/22

above will require approval from the Chapter Officers before the cost is incurred.

Section 4. Any Chapter that wishes to establish a Chapter sponsorship of any kind must obtain approval from the NCMS National Board of Directors to ensure consistency with national guidelines and all laws governing non-profit entities.

## **ARTICLE V – OFFICERS and ELECTIONS**

Section 1. The elective officers of this Chapter shall be a Chair, a Vice Chair, a Secretary and a Treasurer. (Note: At the discretion of the Chapter at any time, the positions of Secretary and Treasurer may be combined into a single office.) A Chapter year follows with the calendar year (January-December), and officer terms coincide with the Chapter calendar year.

Serving as a Chapter Chair or Officer requires a significant commitment of time and effort on the part of individuals elected to these positions. When, at the reasonable discretion of the Chapter Chair and/or Officer(s), any Chapter Officer fails to meet that commitment of time and effort, the Chapter Chair and/or Officer(s) may request the NCMS National Board take appropriate action to remedy the issue. Reasons for taking this action can include but are not limited to failure to attend two consecutive NCMS National Board/Chapter Chair Advisory Forum meetings without good reason, failure to complete assigned tasks as outlined in these bylaws, failure to maintain the status of “Member in Good Standing,” or being involved in actions which discredit the Society, violate Society bylaws, or are otherwise not in the best interests of the Society. Any violations of NCMS Ethics shall be adjudicated by the Ethics Committee IAW the NCMS Ethics Policy.

Section 2. The Chapter Officers **MUST** select a nominating committee for officer elections. The nominating committee shall consist of one or more members, none of whom shall be a Chapter Officer or an individual that has been nominated for Chapter Officer during the current election. Duties of the committee include:

- a. Nominate, from the chapter's active membership in good standing, willing-to-serve candidates for election to the offices of Chair, Vice Chair, Secretary and Treasurer (or Secretary/Treasurer). The committee must ensure that all potential candidates meet the qualifications of both the current chapter and national bylaws before accepting their candidacy.
- b. Ensure that the Chapter Officers nominated are available to attend chapter functions, and that each officer will be able to devote a reasonable amount of time to the chapter office for which he/she is nominated.

# Bylaws of the Chesapeake Bay Chapter of NCMS

---

- c. Confirm that all nominees for the Chapter Chair position have the support of their respective company to assume the office of Chapter Chair, to include required time and travel.
- d. Collect a signed Intent to Run form and Email Distribution Policy form from each candidate and forward these forms, along with the Survey Request form for elections, to the Chapter Support Administrator (CSA) at NCMS Headquarters.

Nominees are prohibited from campaigning, e.g., competing against fellow nominees or communicating platforms about Chapter programs or initiatives outside the official Chapter election process (refer to Policies & Procedures Manual, Section 1D, subsection 3 for policy)<sup>3</sup>.

Chapter officers shall be elected by electronic ballot no later than November 1 to serve a two-year term.

Section 3. Chapter elections will be held by utilizing NCMS survey software. The election period utilizing this software will be at least 14 days, but not more than 30 days.

A majority vote of those voting<sup>4</sup> shall elect each officer.

In the event of a tie vote, a runoff ballot will be sent to the Chapter via the NCMS survey software.

Section 4. No member shall hold more than one elective office at any one time, except Secretary/Treasurer (if these offices are combined). Elected officers will be limited to a maximum of three consecutive terms in the same office or a maximum of six years (whichever is greater). That officer would be eligible to run for one of the other offices once the term limit for the current office held has been reached. Any part of a term of more than six months shall be considered a term. If there are not enough qualified candidates to fill open positions, an exception to the term limit can be made by the NCMS National Board of Directors to allow a Chapter Officer to run for an additional term of up to two years. At the discretion of the Chapter and as defined in these bylaws, officer positions may be staggered to ensure continuity (for example: Chair and Secretary may be elected one year and the Vice Chair and Treasurer the alternate year).

Section 5. Chapter members who are elected to the National Board of Directors of NCMS shall not be eligible to hold a Chapter office. If a person is a Chapter Officer and

is then elected to the Board during that time, he/she must resign the Chapter position. A Chapter Officer may **NOT** hold the position of Chapter Chair Liaison and Chapter Officer at the same time.

Section 6. If the Chair leaves the position before the next regular election, the position shall be filled by the Vice Chair. If the Vice Chair is unable to serve as Chair, the Chapter Executive Committee will work with the CCL Team and NCMS National Vice President to secure a suitable candidate. In the interest of time, the Chapter Chair can appoint someone to fill the role with the concurrence of the Chapter Executive Committee.

Section 7. The elected Officers shall comprise the Executive Committee of the Chapter. The Chapter Chair shall be Chair of this Committee. The immediate Past Chair of the Chapter shall provide transitional support to the new Chapter Chair as necessary and upon request. The Past Chapter Chair and Chapter members who are National Directors will be available to support the new Chair and Executive Committee in an advisory capacity as requested by the Chair.
